## WELCOME TO OUR 2019/20 CATALOGUE

May we take this opportunity to welcome all of our loyal customers and our new customers to our new 2019/20 catalogue and for their support and comments over the past 12 months, which as a family run business is greatly appreciated.

Select School Supplies Limited has consistently been (and will be) one of the lowest price suppliers in the market. If you would like us to prove it to you we will happily do a price comparison and show you on a like for like basis how much you will save by joining our ever growing list of customers who shop with us every week.

In our new catalogue you will find over 800 new products with prices you have come to expect from us. We aim to provide high quality products at the lowest prices around, so offering you value for money and helping meet budgets.

At SSS we believe in offering the best prices around without compromising on quality so there are no fancy pricing structures or bulk discounts just the best prices all day, everyday.

Kindest regards,  
From the whole SSS family
