

In response to the current COVID-19 situation in the UK, Select School Supplies would like to take this opportunity to share a number of precautionary actions to ensure that we can continue to supply products to our customers during this current Coronavirus (2019-nCoV) outbreak, whilst keeping our team safe.

Business as Usual

We are operating as normal, and we are monitoring the situation daily. We have started to implement pre-emptive measures and we are keeping up to date with government and Public Health England's advice. We have stopped all but essential visitors to our site.

We are encouraging our team to follow best hygiene practices. Hand sanitiser and disinfection wipes are available across our site for our team to use.

To confirm, so far, we have had zero cases of Coronavirus and we are monitoring the situation very closely. We will update this statement as the situation develops.

Your Sincerely

The Team
